Jesus cast out demons, healed the sick, saved the lost, and set the captives free. He brought the presence of God to bear on the fallen problems of our world, and the Kingdom of God invaded the kingdom of darkness and things changed.

In this paper do two things:

  - a. First, describe your current experience in the ministry of the Kingdom of God. What aspects of Jesus' Kingdom ministry have you experienced in your life? Assess your current level of spiritual authority.
  - b. Second, how will you expand your level of spiritual authority? Reflect on the book, and the things taught in class. Are there any changes you need to make in your pursuit of intimacy with God? How do you need to participate with God to thicken the walls of your soul, and expand your capacity for more of God's presence in your life?
